The best part of the coming collapse and severing of supply chains will be all of the chimera creatures not getting their hormone therapy.

 The women reported he's watching them with a visible erection is going to lead to something worse. How much longer will this perv control himself before he ends up attacking one of the women? I pray that doesn't happen, but if it does, they're gonna own that school.

Craig Cope @CraigCope18 · Sep 4, 2023
 Too bad he's a sexual deviant. This is why we need to protect the majority of our public. Not everybody has sincere and honest motives. Enormous amount of our country. If they were brave enough to speak, their mind would gladly be canceled.

jloUSA @jloUSA32 · Aug 30, 2023
 The only way this will end is if women stop participating in sports, sororities, etc, when men are allowed in. Don't show up for the competition, drop out of the sororities. I can understand how heartbreaking it would be for the women, but it's only going to get worse !

The Cripple @CrippledQuack · Aug 30, 2023
 My question:

 how many girls have applied to join that sorority this year after the publicity?

 more?

 fewer?

 why?

Conservative Walker @Abruce13Walker · Aug 30, 2023
 It's PATHETIC. Every sorority sister in every college SHOULD WALK OUT

 In these cases- "The needs of one outweigh the needs of the many."

It's seems like every predatory and exhibitionist man has suddenly realized that putting on a dress and calling himself trans gives him free access to any female space, sport or activity in the world. These are men who mock and despise women, not men who want to be women.
